

# Pay Toilet Kiosk

[www.PayToilets.com](http://www.PayToilets.com)

**Type of Unit:** [Comfort Station Model SJSDCS 520](#)

The placement of a removable portable structure at a public or private populated site as a sanitation concession for use as a lavatory and charging for its use by the collection of a fee in cash at the time of use or by the sale of tickets or tokens, etc. for single or multiple usage at retail or discount prices. The sanitation concession can be free to the event holders with all the revenue going to the event sponsor owners, or the sanitation concession can be charged to the event holder at an agreed upon price. In either case the pay toilets will have an attendant.

Fig. 1 Comfort Station Kiosk

The purpose of the attendant is to collect the fee and make sure that the lavatory is in keeping with our standards while maintaining the comfort station in proper working order and assuring an orderly and sanitary use of the portable lavatory stall.

**Incentives:** We have utilized a porta potty pass to offer the Comfort Station uses a cost savings on using the Porta John® Comfort Station.

The Porta John® Comfort Station Kiosk can be marketed in many ways as a franchise, or a stand-alone venue sale to portable toilet rental companies. The comfort station kiosk could also be a joint venture at events with beer companies. The closer the proximity the Comfort Station Kiosk is to the beer tent the more business vendor due.
