

ADA Compliant Lavatory Lease Info – Model 7777

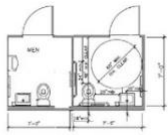

www.HandicapToilet.com

ADA Drawing

Two Stall with ADA Lavatory.

Airport Model 7777

ADA Compliant Lavatory Buildings
Exterior Plumbing upgrade Not Shown

1" ADA Wall Cut Away

Patents Issued and Pending

We will only lease them locally until we get our distributors and franchisees in place (see www.FranchiseFinder.com).

Many companies do not want to build ADA compliant lavatory facilities or tie up \$20,000.00 in an ADA compliant lavatory building. We would lease these buildings to business customers.

Customer's Site Visit Required

Site has to have: Water Source (**garden hose or hard plumbed**)

Site has to have: 110v Electricity

Site has to have: Waste disposal drain or septic system

Site has to have: 3" or larger waste outlet (**common in buildings**)

Lessee pays first and last lease payment at lease signing.

Lessee pays deposit to cover delivery and pickup freight at lease signing.
